An act to add Section 14632 to the Government Code, relating to the State Capitol.

### LEGISLATIVE COUNSEL'S DIGEST

AB 2358, as amended, Hagman. State Capitol: Ronald Reagan Memorial.

Existing law prescribes various duties for the Department of General Services in connection with development and maintenance of the park around the State Capitol Building.

This bill would authorize the Ronald Reagan Centennial Capitol Foundation, in consultation with the department and a specifically created committee, to construct and maintain a memorial to Ronald Reagan in the State Capitol Building Annex. It would require that the

planning, construction, and maintenance of the memorial be funded with private donations through the Ronald Reagan Centennial Capitol Foundation. It would prohibit construction of the memorial until the Department of Finance has determined that sufficient private funding is available to construct and maintain the memorial.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*
